

UNDERSTANDING RISK
GLOBAL FORUM 2024

TRADITION • INNOVATION • RESILIENCE

Harnessing Transdisciplinary Approach for Diversity-Inclusive Disaster Recovery and Risk Reduction

Opening remarks: HE. Mr. Romeo S. Momo,
House of Representatives, The Philippines

Prof. Sakiko Kanbara, Kobe City College of Nursing

Ms. Diana J. Arango, World Bank

Mr. Muhammad Luckmanul Chakim,

Jasa Tirta I Public Corporation, Indonesia

Mikio Ishiwatari, Moderator, ACECC, TC21

Organizer

Asian Civil Engineering Coordinating Council's technical committee
"TDA for Building Societal Resilience to Disasters"

Who we are: civil engineers in Asia

What we are doing: research, expert discussions, and produced papers related to transdisciplinary approach

What we found: TDA allows experts from diverse fields to foster innovative solutions tailored to the unique needs and vulnerabilities of diverse communities.

What we will discuss: Diversity-Inclusive DRR and Recovery with policy maker, researcher, gender specialist, and civil engineer
